MD SAIFUR RAHAMAN

Junior Full-Stack Developer

+8801626950127 | asifforizy@gmail.com | Dhaka, Bangladesh

GitHub | Portfolio | LinkedIn

As a Software Engineering student, I am building my skills in full-stack web development with React, Next.js, Node.js, Express.js, PostgreSQL and Prisma ORM. I am looking for opportunities to challenge myself, learn from real-world development experience, and improve my problem-solving abilities. My long-term goal is to become a skilled software engineer who can take on complex challenges and deliver quality solutions.

SKILLS

- **Languages:** JavaScript, TypeScript, Python, C, C++ , Java
- **Frontend:** React.js, Next.js, HTML5, CSS3, Tailwind CSS
- **Backend:** Node.js, Express.js, REST APIs, FastAPI
- **Databases & ORM:** Prisma ORM, PostgreSQL, MySQL, MongoDB
- **Tools & Deployment:** Git, GitHub, Docker, Postman, Vercel, VS Code

---

PROJECTS

RentNest — Find & List Rental Properties with Ease

RentNest is a full-stack rental property platform where landlords can list rental properties, tenants can find and request rentals, and administrators can manage the entire platform.

key Features:

- User authentication with JWT and role-based authorization.
- Property listing, searching, and filtering functionality.
- Rental request management for users and property owners.
- Subscription and online stripe payment integration.

GitHub| Server | Live Demo

Wanderly — Travel Destination Explorer

Developed a full-stack travel destination platform using Next.js, TypeScript, Express.js, Prisma ORM, and PostgreSQL. Implemented destination browsing, search and filtering, user authentication, and saved destinations with a responsive UI and RESTful APIs.

key Features:

- Built a full-stack travel platform using Next.js, TypeScript, Express.js, Prisma ORM, and PostgreSQL.
- Implemented JWT authentication, email OTP verification, and Google OAuth login.
- Developed REST APIs for destination search, filtering, and saved destinations.
- Designed a responsive UI using Tailwind CSS and shadcn/ui.

EDUCATION

Bachelor of Science in **Software Engineering** (B.Sc. in SWE)
Daffodil International University — Bangladesh
Expected Graduation: Mearch 2027

EXTRA-CURRICULAR ACTIVITIES

- Participated in programming and software development activities like hackathon, programming contest, etc.
- ICPC, AI Project Showcase 2026, Breakout algorithm

LANGUAGES

- Bangla (Native)
- English (Fluent)
